

True Thoughts MP3s Subliminal Script

Supreme Self-Confidence Subliminal Script

I believe in myself 100 percent
I believe in my abilities
I am fully confident in myself
I think about the results of my actions
I rely upon my judgments
I believe wholly in myself
I am tremendously confident
I accept who I am
I am happy when I succeed
I think of positive outcomes
I am my own person
I have infinite self-esteem
Motivation comes freely to me
I believe entirely in myself
My future is determined by me
I always think positively of myself
I control my own self-confidence
I work towards improving my life
I seek help when needed
I think about myself in positive ways
Every day I grow more confident in myself
I am confident in my dealings and feelings
I am more confident each day
My confidence is continually growing
